Section II: STATEMENT OF UNDERSTANDING

I understand this form is not a loan application. I understand the school cannot process my loan if my file is incomplete. I understand the school is neither the guarantor nor the lender of this loan. I understand that any loan I borrow must be repaid with interest. I understand that I will be able to sign my loan application (master promissory note) on the Web once my school notifies me. I understand that if I do not complete and sign the loan promissory note and return it to the guarantor promptly (within 30 days), my loan proceeds cannot be disbursed. I understand that if my address or any other information I have provided to the school is not correct or is incomplete that my loan cannot be processed. If I move, I must notify my lender of the address change. I understand that if this is my first Stafford Loan at Montgomery College, I must complete an entrance interview before my loan is processed. I understand that my loan proceeds will not be released to the school until 30 days past the first day of classes of each semester and may be later based on when I apply and/or when my file became complete. I understand that I must maintain six (6) credit hours to have a loan processed. I understand as a student loan borrower I can use a lender of my choice. Make sure under the lender choice section of the loan request form that you have either selected one of our recommended lenders or written in the lender of your choice. It is suggested that if you had previous loans, you keep your new loans with the lender you used in the past.

Stafford loan terms and conditions containing important information about your Stafford Loans can be found at: <http://www.montgomerycollege.edu/finaid/LoanGuide0910.pdf>. Please read it; you are responsible for knowing this information. If you have any questions about this information, or the effect of less than half time enrollment (less than six billing hours) on your student loans, please contact the Office of Student Financial Aid.

I also understand loan applications may be denied based on my previous loan history. I can submit a loan denial appeal to the Financial Aid Director at my campus.
