

The Adult ESOL Program provides basic English language and life skills instruction to Maryland residents whose native language is not English. Students must be at least 18 years old. This program does not provide services to F1 and J1 visa holders.

ESOL Bridge to Technology, Summer (II) 2024

Do you want to learn more about jobs and careers in the information technology field? Do you like computers and want to improve your computer skills? Are you interested in learning English, study and workplace readiness skills for careers in technology? Are you looking for a new or better job?

If you answered “yes” to these questions, and qualify, this training is for YOU!

This class will help you learn the English and basic skills you need to work in entry-level jobs and enable you to connect to certificate programs in information technology.
