582

583

584

585 Board under one motion without discussion or debate. Any board member
586 can request that an item be removed from the consent agenda. No reason

590 2. Agenda

591
592 The regular agenda for each Board meeting shall include known items of
593 business or topics for discussion and action at the portion of the meeting
594 that is open, and indicate whether the Board expects to close any portion
595 of the meeting in accordance with applicable State law.
596

597 New policy or significant policy modifications are normally first listed on an
598 agenda as a discussion item and at a successive regular meeting for action.
599 Policy modifications may be included on the consent agenda.
600

601 3. Distribution of Agendas to Trustees

633 a. A “complete remote meeting” is one in which all Trustees participate and
634 members of the public observe through an audioconference or
635 videoconference platform.
636

637 b. A “hybrid remote meeting” is one in which one or more Trustees
638 participate or members of the public observe through an

639 audioconference or videoconference platform, while others convene in a

641
642 4. Device and Communication Service

643
644 Trustees participating in meetings remotely will normally provide the device and
645 communication service subscription necessary to connect to the meeting.

646
647 5. Method of Trustee Connection

648
649 a. Audioconference

650
651 The Secretary/Treasurer will designate a phone number or
652 audioconference bridge for audioconference participants and, in the case
653 of a hybrid remote meeting, will provide a speaker phone to be placed in
654 the meeting room in such a way that Trustees there have simultaneous
655 aural communication.

656
657 b. Videoconference

658
659 The Secretary/Treasurer will designate a system, typically a service
660 operating on the Internet, for videoconference participants and, in the
661 case of a hybrid remote meeting, a projection system to be placed in the
662 meeting room in such a way that Trustees there can see the
663 videoconferencing participant(s) and have simultaneous aural
664 communication.

665
666 6. Notification

- 701
- 702 b. Malfunctions Affecting Trustee Participants
- 703
- 704 In the event of a technical malfunction that prevents a Trustee
- 705 participating remotely from hearing or being heard, at the discretion of
- 706 the Chair, the meeting may be paused or suspended until the
- 707 malfunction is corrected. If a remote participant's connection cannot be
- 708 restored in a reasonable period, the chair can proceed if a quorum is
- 709 otherwise established by Board members remaining in the meeting room
- 710 plus other remote participants who have simultaneous aural
- 711 communication.
- 712
- 713 c. Malfunctions Affecting Public Observers
- 714
- 715 During the conduct of a complete remote meeting open to the public, the
- 716 Secretary/Treasurer will provide a means to monitor the conferencing
- 717 platform. In the event of a malfunction preventing the public observers
- 718 from hearing the proceedings, the Secretary/Treasurer will notify the
- 719 Chair as soon as practically possible. The Chair must suspend the
- 720 conduct of the meeting until the aural communication is restored.

- 723
- 724 1. Communications for Board Business
- 725
- 726 a. The College will provide each Trustee with a College email address for
- 727 the duration of the Trustee's term. This will be the preferred account for
- 728 email communications, though a Trustee may choose to use a
- 729 forwarding configuration to a personal account.
- 730
- 731 b. Upon completion of a Trustee's term, the account and its contents will be
- 732 deactivated.
- 733
- 734 c. All communications with and among Trustees shall be conducted in
- 735 accordance with the Maryland Open Meetings Act. Trustees will refrain
- 736 from engaging in discussions of substantive matters by email. Board
- 737 members should not use email to interactively communicate among
- 738 themselves concerning Board business and should avoid using the
- 739 forward and reply-to-all functions.
- 740
- 741 d. Official communications with Trustees regarding Board business will be
- 742 managed by the president or designee.

- 745 communications.
- 746
- 747 2. Communications with the Public, College Employees, and Students
- 748

- 749 a. The Board will provide an email address on its website for public
- 750 comment. This is the official method for the public, employees, and

- 753 to the Board Chair on a regular basis, who will direct distribution to the
- 754 board.
- 755
- 756 b. Trustees will not ordinarily conduct email communications directly with
- 757 College employees or students. If a Trustee receives a communication
- 758 on his/her College-provided email address from the public, employees,
- 759 and/or students, the Trustee will not respond or participate in a
- 760 discussion, but report the communication to the Board Chair.
- 761

N. Comprehensive Liability Insurance and Defense of Sovereign Immunity

The Board may carry comprehensive liability insurance to protect the Board, its agents and employees, and the agents and employees of any community college under its jurisdiction. The purchase of the insurance is for an educational purpose and is a valid educational expense. The Maryland Higher Education Commission may adopt standards for the policies, including a minimum liability coverage which may not be less than \$100,000 per occurrence. Any policy purchased after the adoption of these standards shall conform to them.

The Board complies with this section if it is self-insured, for at least such amounts per occurrence as may be required by applicable State law and the rules and regulations of the State insurance commissioner.

This section does not prevent the Board, on its own behalf, from raising the defense of sovereign immunity in a proper case and to any amount of a claim in excess of the limits of an insurance policy or in excess of \$100,000 in the case of self-insurance.

Cracks in the building’s façade will also need to be addressed, along with repairs to brick joints that are in poor condition, and replacement of the building’s spandrel glass.</p> <p>Replacement of this roof will address all existing deficiencies and ensure waterproofing over the next 20 years. In addition, energy efficiency will be enhanced, resulting in long-term energy cost savings, and improved overall building performance. Once replaced, the High Technology and Science Center roof will be up to code.</p> <p>The original pricing submitted by the recommended bidding firm exceeded available project funding. For this reason, the scope of project was reduced to include critical items (roof replacement, repair of cracks and addition of relieving angle at the northeast corner of the building, and replacement of glass spandrels only).</p>

COLLECTIVE BARGAINING AGREEMENT BETWEEN MONTGOMERY COLLEGE AND THE MONTGOMERY COLLEGE CHAPTER OF THE AMERICAN ASSOCIATION OF UNIVERSITY PROFESSORS

BACKGROUND

Representatives of the Montgomery College Chapter of the American Association of University Professors (“AAUP”) have negotiated in good faith with Representatives of the Board of Trustees on a new Collective Bargaining Agreement. AAUP members ratified the Agreement on March 29, 2024. The Agreement replaces the existing Collective Bargaining Agreement on July 1, 2024, and will expire on June 30, 2027. The new Agreement includes changes to the following five (5) articles of the existing agreement:

- **Article 4 - Faculty Appointments**
Complete re-write of this Article to provide clarity in the timing of faculty appointments, and the evaluation cycle once a faculty member is appointed to a rolling term. Added a section that places the burden on faculty members to ensure they complete their part of the evaluation in a timely manner, so that their delay would not result in a challenge to a recommendation for non-reappointment.
- **Article 5 – Workload**
Complete re-write of the “role of the faculty” that provides clarity that instruction, professional development, and service are all part of the expectations of a full-time faculty member’s job.
- **Article 7, Section 7.1 – Scope**
Provide the Chapter president the right to file a grievance on the Chapter’s behalf if there is allegation that Management has failed to adhere to a Section of Article 7 – “Chapter Rights.” This addition does not provide the Chapter a right to file a grievance on behalf of faculty for alleged violations of the Agreement. The definition of “grievance” under Section 3.1 remains “an allegation by a faculty member that Management has violated an express provision of this Agreement and that such faculty member has been personally aggrieved thereby.”
- **Article 8, Section 8.2(A) – Wages**
Effective the first day of the academic year, the salary of any faculty member who has been in the bargaining unit for at least one semester as of the beginning of the fiscal 2025 academic year shall be increased by five and three-tenths percent (5.3%), except that no faculty member’s fiscal 2025 academic year salary under this Section 8.2(A) shall exceed \$127,432.00 or be less than \$62,319.00.

Faculty eligible for a longevity adjustment under Section 8.2(D) will have a one-time longevity step of \$1,600.00 added to the maximum salary under Section 8.2(A), for a total salary of \$129,032.00 for fiscal 2025 academic year.

- **Article 8, Section 8.2(E) – Compensation Structure Committee**
The formation of a committee to address the likelihood of a new compensation structure following the conclusion of the compensation study presently being conducted by HRSTM with Segal Consulting. This committee will also address Section 8.2(D) Longevity compensation.
- **Article 9, Section 9.4 – Educational Assistance Program**
Adjusted benefit amounts between travel and programs, with no increase in overall EAP funding.

RECOMMENDATION

It is recommended that the Board of Trustees adopt the attached resolution, approving the new ratified Collective Bargaining Agreement with AAUP; authorizing the Board Chair to execute the ratified Collective Bargaining Agreement; and delegating to the president the authority and responsibility to implement and administer the agreement.

COMPENSATION PROGRAMS IN FISCAL YEAR 2025

BACKGROUND

Each year during the spring, the Board acts on salary recommendations for non-bargaining associate and support staff, department chairs, and administrators subject to the availability of funds. Board action is necessary to authorize salary wage adjustments and establish the salary schedule, consistent with the approved FY25 operating budget, for non-bargaining associate and support staff, department chairs, and administrators, and to authorize funds in support of recognition awards for all eligible employees.

Wages for bargaining unit employees who are members of the American Association of University Professors (AAUP), American Federation of State, County, and Municipal Employees (AFSCME), and Service Employees International Union (SEIU) bargaining units are established through the collective bargaining process.

Budget appropriation for compensation is based on projected resources for FY25. The County supports our compensation increases through the use of our fund balance.

RECOMMENDATION

The president recommends approval of the following actions:

1. Non-bargaining Associate and Support Staff, Department Chairs, and Administrators Salary Wage Adjustment for FY25
This resolution authorizes a wage adjustment, defined by Montgomery College as a salary adjustment expressed as a percentage of an employee's overall base pay, for eligible non-bargaining employees in the amount of five percent (5%) to the extent that an employee's salary does not exceed the top of the grade level assigned to that employee's position, effective July 1, 2024.

Non-bargaining associate and support staff employees whose wage adjustment is less than \$1,000, will instead receive a one-time payment (not to the base) of \$1,500. This excludes Department Chairs and Administrators.
2. Special Recognition and Outstanding Service Awards for FY25. This resolution authorizes one-time, lump sum awards of up to two thousand dollars (\$2,000) for special recognition and outstanding service for all eligible employees.
3. Full-time Faculty, Part-time Faculty, and Staff Member of the Year Awards for FY25. This resolution authorizes a one-time, lump-sum award of up to five thousand dollars (\$5,000) each for excellence in teaching and/or counseling and academic advising (for full-time and part-time faculty) and performance, leadership, and service (for staff) for eligible employees.
4. Bargaining and Non-Bargaining Associate and Support Staff Shift Differential for FY25. This resolution authorizes a shift differential of \$1.35 for hours actually worked for

those associate and support staff who are regularly scheduled to work 20 or more hours in a work week between the hours of 10:00 p.m. and 6:30 a.m.
