

MUSIC CERTIFICATE

Total Credits: 36

Catalog Edition: 2024-2025

Program Description

(R): 204

The music certificate curriculum consists of music courses that are required in music major programs at professionally accredited colleges, universities, and conservatories. It is intended for students who wish to transfer to these institutions.

Students would be advised to take approximately 30 additional credits chosen to match the first two years of the program into which they plan to transfer.

Program Outcomes

Upon completion of this program, a student will be able to:

- Apply the fundamentals of music theory from basic notation and ear training through part writing and microanalysis to the creative process.
- Identify musical periods and styles from the Middle Ages to the present.
- Demonstrate the level of proficiency in music performance/ education required to perform standard audition repertoire expected in four-year music programs or for work in a variety of music-related careers.
- Perform collaboratively in ensembles, practice self-reflective assessment, and create a strategy of long-term intentional practice through applied music studies, technical studies, ensembles, and master classes in preparation for auditions.
