‡ *Program electives: Although this degree is designed to be completed in 60 credits, there are some scenarios that could result in more than 60 credits being earned. For example, if a student wishes to take two four-credit electives, they would have a total of 62 credits; if they choose one four credit and one 3 credit elective they would have 61. If the student selects two 3-credit classes-or-one 4-credit and one 2-credit then they would earn a total of exactly 60 credits. Please see an advisor in the Graphic Design program. Choose from the following with a minimum total of 6 credits for the two selections:*

2-credit elective options: **CMSC 100, GDES 269, GDES 285**

3-credit elective options: **ARTT 103, ARTT 105, ARTT 206, GDES 121, GDES 135, PHOT 161**

4-credit elective options: **GDES 214, TECH 190, TECH 225,** or **TECH 290**

Students whose focus is on Gaming should select from the CMSC / TECH courses listed above.
