Employer: **Academy Child Development Center, Inc.** **Web Site:** <http://academychild.com>

Employer Profile: The mission of Academy Child Development Center, Inc. (Academy) is to create a stimulating and nurturing environment where children of all abilities, regardless of socio-economic or cultural background, can grow and learn together in acceptance of one another. This mission is conducted daily by highly trained staff, low teacher/child ratios, specialized curriculum, and contracted therapy services. At Academy, we value the importance of character, commitment to the family, commitment to the community, respect for the individual, and celebrating our differences. Academy Child Development Center, Inc. offers the "Building Blocks for Life" philosophy - the foundation from which all learning takes place for the future. It is our mission to provide high quality, developmentally appropriate early care and education learning opportunities in a nurturing, safe environment for the children, families, and communities we serve. Academy believes that from birth, all children are capable and competent. Our teachers recognize that each child grows, develops, and learns at their own pace; therefore, a child-centered approach is used to support the developmental needs and abilities of all children. A respect for and appreciation of individual differences inspires all that we do. Our teachers create meaningful learning opportunities that are healthy, respectful, supportive, and challenging for each child. Our teachers foster children's self-esteem, creative abilities, sense of belonging and success by implementing a responsive, inclusive developmentally appropriate curriculum based on MSDE and Maryland EXCELS standards, through play-based experiences that promote vital pre-academic and social emotional skills. Our partnership with the children's families in our programs is built on a solid foundation of trust and mutual respect that plays a key role in your child's development and learning. When children are guided to live and play together in an atmosphere of mutual respect and support, they develop positive character values. By encouraging creativity, explorations, and discovery children acquire a love of learning and a strong sense of self. Academy is dedicated to the world's future - its children.

Employer: Akukulu Family LLC **Web Site:** <http://akukulufamily.com/>

Employer Profile: Akukulu Family is a certified Woman-Owned minority small business. Our goal is to build a healthy, prosperous, and integrated community. We provide services under three pillars - Information, Mentoring, and Networking with the focus areas of education, health, business, social topic, and recreation. We created two popular programs which serve the minority youth and women. Life Youth Mentorship and Tutoring (LYMT) elevates minds and changes lives by providing carefully crafted youth mentorship and tutoring to underserved and underrepresented communities. This program is bilingual in Amharic and English languages. It is culturally sensitive, all-inclusive, immersive, and diverse. LYMT implements proven strategies to keep our youth from detention centers while supporting communities' safety and economic stability.

Our passion, knowledge, skills, and experiences in community youth developments empower youth to success while preventing identity crisis, mental health crisis, suicide, substance use, and violence. Besides, workforce developments in STEM, entrepreneurships, and apprenticeships is one of our primary goals in youth job creations. The tutoring sessions include in class Science, Math, English, and Art individual and group tutoring coupled with STEM field trips. This tutoring method will help students understand the practical applications of in-class STEM education. The Social Hour supports social, emotional and behavioral growth.

RBS Women's Business Mentorship is specifically designed to empower minority women to start their own businesses. Through one-on-one and group business mentorships, minority women are empowered and inspired by experts' knowledge, skills, and experiences. Resilient Business Solutions enable women to use innovative business ideas. Also, we mentor women to certify their businesses for government contracting. Akukulu Family continues to provide free bilingual public information in videos, podcasts, TikTok lives, and blogs.
