From: Dr. Deidre Price
Senior Vice President for Academic Affairs/College Provost
Subject: **Academic Affairs Spring Semester Professional Week Activities**
Date: December 20, 2024

As we prepare for the end of the semester, I wanted to acknowledge the amazing work you do in support of each other and the success of our students. After nearly a year here, I can clearly see why Montgomery College is such an extraordinary place and the very real impact our work has on our students and community. I wish you all a happy and healthy winter break that allows you to reflect, relax and feel rejuvenated for the spring semester.

The spring semester begins on January 21, 2025. By the time you return, I will have shared an on-demand webinar to kick off the spring semester. The rest of the spring division meetings will be held on **Wednesday, January 22**, at the following times and in the following modalities, with locations noted in the attachments:

- 9:00 a.m. - 10:00 a.m. / VP Meetings - Virtual
- 11:00 a.m. - 12:00 p.m. / Dean Meetings - In-person
- 1:00 p.m. - 2:00 p.m. / Discipline Meetings - In-person

ELITE will offer professional development activities ([Professional Week | Montgomery College, Maryland](#)) on Thursday, January 23, 2025. I encourage you to look at the offerings now, and register.

In addition, as we approach MC's full upgrade to Blackboard Learn Ultra in Fall 2025, ELITE is here to support you every step of the way. Please take advantage of the upcoming [Professional Day](#) sessions in January, featuring dedicated Ultra workshops to help you prepare for your Winter and Spring 2025 courses. There are virtual and in-person opportunities, including evenings. Be sure to visit the Ultra [website](#) for updates, printable guides, and additional resources to assist with enabling Ultra, transferring content, and

exploring its features. For assistance, email UltraTransition@montgomerycollege.edu.

I look forward to seeing you in the spring semester.
